Summer appears

- What a lovely place! Where am I? There are so many children here!
- You are in school! But who are you?
- I am Summer!
- Oh, Summer! We have been waiting for you for so long time! It's so nice that you are here! What have you brought?
- **I've brought the sun and flowers,
and games, and sweets and fruit!
I've brought friendship and wonders!**

Also I've brought good mood!
I've brought you rains and rainbows,
And huge amount of joy,
And strawberries in bowls
For every girl and boy!

- Oh, Summer! Can I ask you for good weather so that everyone could be happy?
- You don't need good weather to be happy! It's up to you!
- How is that?
- Use your imagination! There are so many things you can do even if the weather is bad! Watch and learn!

Young learners and their song

- It's cool to be happy, isn't it?
- Yes, of course! I think, camp is always the source of good feelings and positive emotions.
- Our camp is called 'Friendship'. That means that our work will be based on trust, honesty and tolerance.
- We are going to make new friends in our camp!
- Let us greet our squads! Please, introduce yourself!
- Squad #1 ...
- Thank you for your introduction! We are continuing our party.
- We'd like to invite you to our magic garden, where you can have a rest and dream something about.
- Have you heard of a lemon tree? It can help you even when you are sad or when you are tired.
- Tea with lemon is also good!

Song 'Lemon Tree'

- In our camp there will always be time for rest and leisure.
- There will also be time for travelling! I have already packed my rucksack!

- Exactly! I have prepared! In my rucksack you can find lots of pens, pencils, paper and dictionaries.
- For real? School is over. It's summertime!
